Thank You!

for joining us at Barnacle's. You are on island time so relax and have fun. As over 20 year residents of North Captiva, we decided in 2011 to buy Barnacle's. We began renovating, rejuvenating and renewing Barnacle's. We hope you and your family enjoy good food. We take an enormous amount of pride in the service and food we provide our customers. We are proud to have an outstanding staff who works very hard to make certain that your experience is memorable.

Please check out the gift and ice cream shop upstairs. Queenies Ice Cream is made locally and sold in only a few locations on the islands. She toasts the pecans and coconut and uses Pine Island mango. The gift shop has both souvenirs of the island and some must have gifts, jewelry and clothes. The jewelry, art and photography are from our talented islanders.

Before you leave, make sure you color and leave a dollar on the wall of the restaurant. When we bought the place, we founded the North Captiva Conservation Fund which is dedicated to the preservation of the fragile ecosystem of this unique subtropical barrier island. Our mission is to eliminate conservation threats and protect the vulnerable native plants and animals that exist on North Captiva. 100% of the dollars on the wall go the NCCF so please help our magical island.

Thank you and come back!
